12 OCT 1973

MEMORANDUM FOR: Assistant Secretary of Defense (Intelligence)  
Director, Defense Advanced Research Projects Agency  
Deputy Director of Central Intelligence  
Director, Defense Intelligence Agency  
Director, National Security Agency  
Director, National Reconnaissance Office

25X1

[redacted] Engineering Planning Group has been established pursuant to instructions from Mr. Colby in response to Admiral de Poix's request that there be community coordination in evaluating the feasibility and potential applications of [redacted] techniques, and that there be controlled introduction and diffusion of these techniques into the US foreign intelligence community. A planning meeting has been held (minutes are attached) in preparation for the first formal meeting of the group to be held on 18 October 1973.

25X1

The Engineering Planning Group will function under the aegis of the Chief, Program Evaluation Group/Intelligence Community Staff and will be chaired by [redacted] DIA. Terms of reference for the Engineering Planning Group are attached for your information. It is requested that the name of your designated representative to the group be forwarded to [redacted] at DIA prior to the 18 October meeting.

25X1

[redacted]  
Associate Deputy to the DCI  
for the Intelligence Community
